Jean M. Barber, Chairperson    Dick Works, Commissioner

Sherrie L. Riebel, County Clerk    Kent Thompson, Commissioner

IOLA, KANSAS   OFFICE OF THE ALLEN COUNTY CLERK   June 8, 1999

The Allen County Commissioners, Chairperson Jean Barber, Commissioner Dick Works, Commissioner Kent Thompson, Sherrie L. Riebel, Allen County Clerk, and the Iola City Commissioners, City Commissioners Lee Gumfory and Nancy Mechling, Mayor John McRae, Judy Brigham, City Clerk, 911 Coordination Gary Garner, met in a special session at 6:00 p.m. with Police Chief Rex Taylor, Emergency Preparedness Director, Dave Beck and Chairman of the 911 Advisory Committee, Sean McReynolds. Also present John Smith, 911 Committee person.

Mayor McRae called the meeting to order. The 911 Advisory Board presented their report.

Commissioner Works stated that more signs had been ordered. This led to a discussion of the budget.

Mr. McReynolds discussed that a method of replacing ageing radios was needed. He stated if all radios were replaced it would clean out the 911 fund.

Commissioner Works suggested that the 911 committee come up with a plan for replacing radios by next year.

Mayor McRae was interested in dispatch. Mr. McReynolds stated that it has been running smoothly and extremely well. Mayor McRae questioned why Humboldt City was dispatched only once a day. Mr. McReynolds explained Humboldt City's procedure.

There was discussion with Police Chief Taylor on personnel. He explained new technology for the future. Dispatch equipment will also need to be replaced soon.

McRae asked the 911 committee "what can we do to assist them"? McReynolds suggested getting information from each department by asking individuals who, why or what is needed from either City of County.

McRae asked if there were any concerns. McReynolds stated no major concerns. He felt if 911 committee only needs to meet once a year, things are going well.
McReynolds discussed the importance of 911 calls and double calls. Garver asked if some aren't emergencies? Several are not emergencies. Garver said sometimes we ask them to call back on another line if not an emergency call.

Mr. Phillip Merkel joined the meeting.

Garver said they tried to staff 911 with two dispatchers, not always able to do so.

McRae asked do we do public notice, radio announcements?

Commissioner Barber thought this would be a good idea.

Thompson asked if we could send a letter to each department, letting them know to use the business line.

Gumfory questioned whether LaHarpe, Moran and others are ready for new year and Y2K?

Garver stated that SWB is Y2K, letters have been received to document that. Beck mentioned that Sprint United, LaHarpe Telephone and CrawKan should be ready by Y2K.

Brigham stated each entity would have to request their own letters of assurance that they were Y2K compatible.

McRae asked if there was anything else on 911? There was no response.

Horville Road was brought up but not on the agenda therefore meeting adjourned.

Commissioner will meet in regular session on June 9, 1999, at 8:30 a.m. in the conference room of the courthouse.

Gary Frazier, Frazier Fencing, explained his bid proposal for the 9 foot fence at the landfill. Discussion followed. No action was taken at this time.
Bill reported project # 1C-3515-01(Seven Arch Bridge) pre-conference will be June 30, 1999 at 1:30 p.m. at the local KDOT office.

Bill discussed the old Hwy #169 that will return to the county when the new Hwy#169 opens.

Bill discussed the Fly-in at the Allen County Airport from 7:00 a.m. to 11:00 a.m. on Saturday, June 18, 1999. He reported the jet fuel is out again. Bill reported Don Smith is considering buying a plane to give lessons.

Bill discussed trash blowing off the vehicles going to the landfill. The problems are growing due to lack of tarp or bagged trash. The problem could cause the county to enact trash codes which could be a hardship to citizens. Commissioners will be discussing this problem. The newspaper will be contacted to run a story about the loss of trash along the roadways.

Bill discussed the dust control on county roads. The program is complete for this year.

Raymond Maloney, Ray's Metal Depot, discussed the Nuisance Abatement Act enacted at the last commissioners meeting.

David Beck, Emergency Preparedness Director, Donald Leapheart, Iola Fire Chief/EMS Director, and Sharrie Lowry, Humboldt Ambulance, discussed pagers and radios. Sharrie requested to purchase four pagers for backups. They need some to recharge while others are on duty 24 hours a day. Discussion followed. Chief Leapheart recommended to purchase an extra battery for each pager. The estimated cost was $300.00 per pager with charger. The 911 dispatcher activates the pagers. Chief Leapheart explained how the process works. He stated if all the different units purchase the chargers and batteries at the same time, maybe the cost would be less. Each department will be budgeting for batteries and chargers in their budgets. Commissioner Barber asked if two would do at this time, Sharrie stated if the County purchased two she would also purchase two from her city budget. Moran Ambulance is also needing two pagers for alternate ambulance personnel. Commissioners requested bid prices on the pagers and chargers. David Beck explained how to prolong the current batteries. David Beck discussed the Emergency Management Coordinator position. David would like to replace the current coordinator, Dan Onnen, due to Dan's new position in the Sheriff's department as investigator.

Kent Douglas Utitts, LaHarpe Fire Chief, discussed the 911 radio being purchased to communicate with the fireman on call. This radio has both fire and 911 frequency. He discussed a meeting where he was under the impression the county would pay for half of the radio purchase if the City of LaHarpe would pay for the other half. He stated the City of LaHarpe will not pay for half of the radio. The City of LaHarpe currently has the radio. Hand held pagers can scan all frequency's at one time. Commissioners will discuss this situation with Sheriff Moore. No action was taken at this time.

Sandra Drake, County Appraiser, discussed county ratio. Sandra reported her ratio is fine but her COD is off. COD is on her real estate commercial sales. Real estate is selling for more than she has entered, this is because there are not that many commercial sales. Discussion followed. Sandra has values in Allen County at 87% of actual market value and to be in compliant with state, she has to be at 90% of actual market value.

Gene Chambers, Carlyle resident, discussed sewer septic in Carlyle. Commissioners referred him to the L.E.P.P. Coordinator.
Agreement Between Kansas Department of Health and Environment and Allen County Commission/Woodson County Commission contract with the state. He reported the financing will be less for the next year than what it has been. Commissioners approved and signed.

Mr. Williams discussed the matching funds available from state for a van to service the elderly. He stated for the next ten years the state will allow the funds to be available to replace and update the van. Discussion followed.

Steve Lohr, SEK-CAP Director, discussed the matching funds from state to purchase a van. He stated vans cost around $40,000.00. Discussion followed. He stated a plan would have to be in place before October 1999 to present to state for funding in July of 2000.

Mr. Lohr discussed the Community Action building lease. Commissioners reported the rent has been $200.00 for the last several years. Discussion followed. Commissioner proposed to raise the rent to $250.00, Mr. Lohr approved. Commissioners and Mr. Lohr signed the contract for office space rent in the Community Action building.

Mr. Lohr requested to have the Service to the Elderly van to transport members to attend the SEK-CAP meetings. Commissioners will consider this suggestion.

Commissioners discussed the 2000 911 Contract between the City and County. Commissioner Barber moved to approve the contract. Commissioner Works seconded, motion passed 3-0-0. Commissioner Barber signed the contract.

Bob Chase, SEK Mental Health, discussed JJA grant. Discussion followed.

Bob Chase, SEK Mental Health, requested $102,400.00 for 2000 budget for SEKMHC. This is an increase of five percent over last year. The increase is due to the cost of insurance and to make wages remain competitive for this area. SEKMHC overall proposed budget for 2000 is $480,100.00. Other counties in SEKMHC are Anderson at $62,500.00, Bourbon at $100,000.00, Linn at $73,500.00, Neosho at $102,500.00 and Woodson at $39,200.00. Mr. Chase reminded the commissioners, not all of these counties pay the requested amount. These amounts are in portion to a combination of population and valuation of each county.

Donald Leapheart, City of Iola Fire Chief/EMS Director, discussed TB shots for each of the EMS attendants and Hepitas B shots for new employees. He reported the Hepitas B shots are good until they are exposed to Hepitas B. Chief Leapheart requested TB shots be kept up to date on every employee. Commissioners agreed this was a good plan. Chief Leapheart reported on the repore between Humboldt, Iola and Moran EMS. He reported the QA Board met earlier this month.

Chief Leapheart discussed the Rescue Vehicle was slow on getting to an accident. This is due to speed requirements on the vehicle not being up to specs. The county counselor was to check with Hays Fire Equipment to adjust the speed up to spec.

Commissioners denied the request for writing off an ambulance run. They stated it was the responsibility of the person.
Alan Weber, County Counselor, discussed severed mineral rights concerning prior year tax foreclosure sale.

Commissioners discussed Alan contacting Hays Fire Equipment.

Bill explained that concrete was poured this week at the bridge 4 miles east and 1 mile south of Humboldt. Project seems to be progressing fine.

Bill discussed a 1986 motor grader with 14,000 hours on it. He requested that it be traded soon or advertised for local sale. He reported he has found a 1998 CAT 140H low profile machine with 98 hours on it. Commissioners instructed Bill to advertise the used grader. Upon motion by Commissioner Jean Barber, approved 3-0-0 the commissioners waived the requirements of resolution 99016 regarding purchasing procedures. Reasons for the waiver include proximity of seller availability of repair and maintenance, unlikelihood of finding comparable equipment at a comparable price, need to make acquisition in a timely manner. Commissioner Barber moved to acquire the 1998 CAT 140H low profile machine with 98 hours on it from Martin Tractor in Chanute for $117,040.00. Commissioner Works seconded, motion passed. 3-0-0

Bill explained that during the winter months, Public Works employees take their own cell phones on the road with them for safety. He requested that a phone be purchased to keep at the shop for employee access along with a couple to be placed in county trucks. Commissioners requested Bill to check on renewal dates for the cell phone contracts and took no action at this time.

Commissioners and Mr. Colvin discussed the jail and the possible expansion.

Kyla Sutterby, Clerk Typist, relieved Deputy Smith in taking minutes at the meeting.

Rita Sheeley, SEK-CAP, was in to discuss the office space which they rent on State Street. The existing building, which is used by the Allen County Senior Citizens, is too small for the activities that take place. The Commissioners proposed to come and look at the building to see if they can improve the situation.

Marty Taylor, LEPP Coordinator, and Eldon Hinton, property owners, were in to discuss his property at the east edge of Iola which is in violation of the county nuisance abatement act. Mr. Taylor had notified Eldon Hinton that he would be fined beginning Oct 31, 1999. Mr. Hinton indicated he had made great effort to correct the situation but the tenant has been uncooperative. Mr. Hinton further agreed that he would hire an Attorney to assist him in the eviction process. Commissioners agreed to give him the time to correct the situation if he shows good effort.

Judge Lorentz called to inform the commission that Deann Parsons had tendered her resignation as Allen County representative to the JJA Advisory Board. He requested that a replacement be made as soon as possible.

Sandy Drake, Allen County Appraiser, requested to purchase a computer for her office. Commissioners requested that she get bids.

Alan Weber, Allen County Counselor, was in and instructed to research the Guardian Ad Litem contracts. Allen also discussed purchasing procedures, a claim by Sherry Hendrickson and the insurance company's response. They also discussed the possible eminent domain by Williams Communications.

Commissioners approved the following documents:
   a) Clerk's voucher #994805 to 994981 for $180,170.88
   b) Abatement #14517, value 3,658, $387.06, for tax roll of 1998
   c) Journal Entries #C9095-#C9097

Clerk Riebel discussed Rural Fire District #3 to build a building in Elsmore.

Doug Colvin, City of Iola Administrator, discussed the annexation of Oregon Road to the east side of the City of Iola limits and Kentucky Street to Oregon Road, where it has currently been half the City and half the County. Discussion followed on stop signs and speed limits. The proposal will be submitted to Allen County's Cartographer for review before approval. Commissioner Works move to approve the transfer the property encompassing Kentucky Street and Oregon Road to the City of Iola once the legal description is reviewed by the Cartographer. Commissioner Thompson seconded, motion passed 3-0-0.

Mr. Colvin discussed the ambulance contract the county has with the City of Iola. No action was taken at this time.

Donald Leapheart, City of Iola Fire Chief/EMS Director, presented a proposal concerning a change in the ambulance service type qualifications. They currently are a Type II (EMT-Emergency Medical Technicians) and propose to advance to a Type I (MICT-Mobile Intensive Care Technician-Paramedic) ambulance service. Chief Leapheart explained the qualifications for Type I service and the service charges will need to be changed to reflect the services. He reported they are requesting at least three employees attend MICT training, this would be 18 months of classes. This training would be based on seniority. This service would not effect the Medicare or Medicaid billing. He stated the ambulance service would better service the community with advance training in life support and paramedic services. The primary advantage to adding a part-time Type I service
He reported he hired Travis Harrison as deputy. He formally work as Moran Marshall.

Alan Weber, County Councilor, discussed the airport hanger contract revision.

Pat Weiner reported on trouble with the refrigerator at the Humboldt Senior Center. She is
Commissioner Barber seconded, motion passed 3-0-0.

Kendall Ashford, Cartographer, discussed the updating of a map of Allen County to show the 911 roads and streets. He presented the commissioners with a new map.

Jack McKarnin, House and Grounds Director, discussed the cleaning position open at the courthouse. No action was taken at this time.

Bill King, Public Works Director, reported the City of Iola's proposed annexation died for lack of a second. So a portion of the Kentucky Street and Oregon Road are still Allen County's responsibility. Commissioners discussed the stop signs and speed on Oregon Road. The Commissioners discussed changing the four way stop to a two way stop. Ron Moore, Allen County Sheriff had made his recommendation to the Commissioners on the stop sign. The state uses MUTCD (Manual Uniform Transportation Control Devices) to determine speed and stop sign control at intersections. Bill was instructed to contact KDOT for that information before a decision would be made on removing stop signs or changing speed limits.

Commissioners discussed the speed limit on North Dakota Road west of the new Hwy #169 in to Iola. Commissioners felt the speed limit should be 40 miles per hour.

Sandra Drake, County Appraiser, discussed the county getting a credit card. We had already looked into obtaining a county credit card and there was some difficulty in naming persons who could use the card. No action taken at this time.

Sandra discussed the position open in her office. She will be accepting applications until Friday, November 12, 1999 at 5 o'clock.

Commissioners discussed the bridge replacing the Seven Arch Bridge. The bridge will be open next week. The bridge is covered with dirt and gravel for the grading purposes. Bill was instructed to check with the contractor for replacement of the rail.

Bill discussed the bottom soil on the road at Don Yokum's farm on 2200 Street between Connecticut and California Roads.

Bill discussed the dust control for the shoe fly west of Humboldt City. He reported there had originally calcium in the bid specs and the state had removed that bid. The state has been contacted to supply the calcium.

Bill discussed the service to the fire extinguish within the county.

Bill discussed the terraces at the airport. He reported not all the crops are out yet. He stated the terraces and water channels need to be cleaned and repaired. The job is expected to take about four weeks to complete. Bill will coordinate the project with NRCS and county employees.

Bill reported he had sent bids out for the 911 signs. He stated David Beck, Emergency
Bill discussed cell phones for the county. He presented a survey he had taken throughout the county. Discussion followed on the available options. Bill will follow up with bids from the available services.

Bill discussed the waste tires at the landfill. He does not currently have a rate for shredded or chipped tires. Discussion on pros and cons of tires whole or cut. Bill stated a tire shredder would be efficient and effective at the landfill.

Bill reported the new fence at the landfill is currently being installed.

Bill presented pay changes for three employees whose six months or one year is up.

Kent reported on a request from a Carlyle resident to asphalt the rest of Texas Road leading out of Carlyle east to the new highway.

Alan Weber, Allen County Counselor, discussed the taxing on cell towers.

Commissioners discussed the Juvenile contract will be up on December 31, 1999.

Commissioners discussed a call from Dr. Deanna Vaughn concerning a deputy coroner being appointed by the commissioners. No action was taken at this time.

Alan reported a person that drove through oil on a road project is claiming damages to her vehicle. Her attorney will be sending a formal claim to the county for response.

Donald Leapheart, City of Iola Fire Chief/EMS Director, presented bid specs on equipment for the Rescue Vehicle. Chief Leapheart called the companies and they will still stand behind the bids. He explained the need of the equipment on the bid list. He reported the rescue vehicle performed well at the hazmat spill on Monday. Chief Leapheart explained the equipment requested would enhance the efficiency of the Rescue Vehicle. The purchase of the equipment will be funded with the remaining grant monies from the Farm Service Agency.

Commissioners discussed the speed of the ambulance. Chief Leapheart explained the short runs are not the problem, but the long runs are a problem when time is an issue. He stated it is regulations that one emergency vehicle not pass an other emergency vehicle. The solution would be to remount the box on a new chassis. No action was taken at this time.

Commissioners discussed the Humboldt Ambulance and the Fire District #3 desire to establish a rescue area.

Chief Leapheart discussed the cost of sending a paramedic to class. He explained the prerequisite will change in 2001. He stated the applicants would have to pass a test just to get to take these classes. He explained if the Emergency Medical Service does not go forward, they will become stagnant. Commissioners support the training. Chief Leapheart will bring more information to the commissioners as well as estimated cost involved.

Chief Leapheart discussed the hospital flying all the patients out. He stated the doctors were
The Allen County Board of Commissioners met in regular session at 8:30 a.m. with Chairperson Jean Barber, Commissioner Dick Works, Commissioner Kent Thompson, and Sherrie L. Riebel, County Clerk.

Commissioners corrected and approved the minutes of the November 17, 1999, meeting.

Dennis Kelly, a local EMT, is on call for Neosho County Ambulance. He requested a red light permit to be able to get to the ambulance station. Commissioners gave Mr. Kelly applications to get filled out by the City of Iola Police Chief, Fire Chief, and Sheriff of Allen County, then return the applications to the County Clerk's office. The Commissioners will review it at the next regular session after the application is turned in.

Mike Geffert, Doug Strickler, Allen County residents, requested to vacate a section of road between Section 20, Twp 25, Rng 18 & Section 29, Twp 25, Rng 18 in Humboldt Township, Allen County, Kansas. The address is Iowa Road and 900 Street. They requested the ditches be dug out to stop individuals from trying to go around the gate. Commissioners will begin the vacation process.

Commissioner Barber moved to go into executive session for 10 minutes to discuss non-elected personnel. Commissioner Thompson seconded the motion. The time is now 9:00 a.m. Those present will be Commissioner Barber, Commissioner Thompson, Commissioner Works, Clerk Riebel and Bill King, Public Works Director. Commissioners reconvened at 9:10 a.m. No action was taken.

Bill discussed the mechanic position and landfill position open for the county. He had three individuals apply. Commissioners approved Bill to hire the two individuals with the highest interview scores.

Bill discussed guard railing on Georgia Road at Coal Creek Bridge. Swab-Eaton's proposal was $17,000.00 for the engineering cost. The project cost was estimated at over $100,000.00.

Commissioners instructed Bill to proceed with the engineering. It is probable the state will pay the construction cost, since it is a safety issue. Bill will check on this to get a definitive answer.

Bill requested to carry over 68 hours of vacation. Commissioners approved.
Bill presented a 911 sign proposal for signs, posts and brackets. He had received bids from two companies. One from D-C Wholesale for $12.08 to $15.76 each on the signs, $10.31 on posts, post caps for $4.55 each, cross brackets for $4.45 each; one from Welborn for $12.90 to $16.80 each on the signs, $8.50 on posts, post caps for $4.85 each, cross brackets for $4.75 each; the third did not return a bid. Commissioner Thompson moved to accept the bid from D-C Wholesale. Commissioner Barber seconded, motion passed 3-0-0.

Mr. McKarnin explained the Farm City Days committee requested outside electric receptacles be installed on the clock. Mr. Lee explained his concern for the clock. He reported on all the past history of restoring the clock. He stated he had been contacted by an electrician to enter the clock to install these receptacles. Mr. Lee stated he was told they were going to take out the breaker and replace it with a number of large receptacles for use by the vendors at the Farm City Days activities. He stated he felt there is not enough voltage supplied from the clock, if used it could burn out the old lines buried. He suggested getting a second opinion. Commissioners thanked Mr. Lee for his concerns and his service on the clock for several years. Commissioners will evaluate the situation.

Commissioners appointed Scott Mann to serve as one of Allen County's representatives to the Tri-Valley Development Center Board. Clerk Riebel will send a letter to Dan Kline, Tri-Valley Executive Director, notifying him of the appointment.

Ron Moore, Allen County Sheriff, discussed appointing a deputy coroner to replace the individual who quit. He stated one of his deputies and an EMT are interested. Commissioners approved sending two individuals to class to qualify for coroner. Sheriff Moore will visit with Dr. Deanna Vaughn, District Coroner, concerning the deputy coroner.

Sheriff Moore is getting bids for a bullet proof vest for the new deputy. He would like to purchase a couple of radar guns from Stalker for $1,888.00, a company out of Oklahoma has some for $1,500.00 but they are not the quality or have the distance Stalker's has. Commissions approved the purchase of two radar guns.

IOLA, KANSAS           OFFICE OF THE ALLEN COUNTY CLERK           December 1, 1999

The Allen County Commissioners met in regular session at 8:30 a.m. with Chairperson Jean Barber, Commissioner Dick Works, Commissioner Kent Thompson and Sherrie L. Riebel, County Clerk.

Commissioners corrected and approved the minutes of the November 24, 1999, meeting.

Troy Spencer, discussed being terminated and requested his job back. Commissioner Barber explained there is a grievance procedure he needs to follow. He received a copy of the procedure.

Jay Daniels, discussed the maintenance position at the courthouse. Commissioners discussed whether he was looking for a full time or a part time position. He stated he thought it would need to be full time to cover all that is needed to do. He will work 7 to 2 each day, at $9.00 dollars an hour. Jay will visit with Jack and Ron to gather more information on the job.

Bill King, Public Works Director, discussed putting a light on Kentucky Street and Oregon Road. Allen County will purchase the light.

Bill discussed the guardrail on Central Street at Coal Creek. The grant will be a 90/10 cost to the county. He stated the project will take approximately 2-3 years to complete. The Commissioners will proceed with the project. Commissioner Works moved to sign an agreement
remainder of all project cost. Commissioner Barber moved to approve Bill to proceed with the
grant. Commissioner Works seconded, motion passed 3-0-0

Bill reported the Allen County Airport Advisory Board would like to proceed with purchasing
the land southeast of the airport adjoining the current property. Commissioners will review.

Bill presented bids on Cellular Phone Service. Bids were received from Cellular One for $24.99
monthly fee, Iola Western Auto for $19.95 monthly fee for 20-50 phones and $20.95 for 10-19
phones, and LaHarpe Communications for $19.95 monthly fee for 20-50 phones and $20.95 for
10-19 phones. Bill recommended going with LaHarpe Communication. Discussion followed
on pros and cons. Commissioner Thompson moved to accept LaHarpe Communication for
$19.95 for 18-19 phones. Commissioner Barber seconded, motion passed 3-0-0

John Feeback, Fagen Company, stopped by to wish everyone a Merry Christmas.

Ray Shannon, Shay Heating, and Jack McKarnin, House and Grounds Director, discussed the
electric supply for the Old Courthouse Clock. Mr. Shannon reported on Farm/City Days all the
electric is run off of one electric source provided by the City of Iola, with all the food booths and
the electric needed for the stage. He explained the process he recommended to replace the old
fuse to an efficient electrical outlet. He stated the underground line would carry the electricity
without effecting the clock. Discussion followed on running separate lines, where the line would

need to run, who would be using the outlets. Jack reported there is a need for outside outlets.
Commissioner Thompson suggested checking with the City of Iola on running lines in different
selected areas of the courtyard. Commissioners will contact someone to estimate the cost.

Gordon Conger, discussed the different departments within the county and the community.

Commissioner Barber moved to go into executive session for 10 minutes to discuss non elected
personnel, Commissioner Works seconded, motion passed 3-0-0. The time is now 10:10. Those

Sherrie L. Riebel, Allen County Clerk  Kent Thompson, Commissioner

IOLA, KANSAS  OFFICE OF THE ALLEN COUNTY CLERK  December 8, 1999

The Allen County Board of Commissioners met in regular session at 8:30 a.m. with Chairperson Jean Barber, Commissioner Kent Thompson, Commissioner Dick Works and Michelle M. Smith, Deputy County Clerk.

Commissioners corrected and approved the December 1, 1999, meeting minutes.

Commissioners discussed wages for the part time maintenance position. It was agreed that the part-time Maintenance Supervisor would receive $9.00 per hour and the part-time maintenance worker would receive $8.50 per hour.

Jack Franklin, county resident, was in to inquire about the bridge by Carlyle. Commissioner Works mentioned plans were drawn up at one time. Mr. Franklin said he didn't like the design of the drive but would like the banisters knocked down. Mr. Franklin said the bridge is sound but is too narrow. Commissioners said that replacement of the bridge could be put on the 5 year plan. Commissioners suggested that Mr. Franklin attend the next hearing on the 5 year plan and make mention of this bridge project.

Betty Daniels, County Treasurer, asked about closing the courthouse to the public on December 31, 1999. Commissioners agreed that employees will be working to finish up year end duties but the courthouse will be closed to the public that day. The December 31, 1999 commission meeting will be open to the public.

Mrs. Daniels sent out tax letters to banks regarding interest on idle funds. Iola Bank & Trust was the only one with a reply. Bank of America in Emporia reported they would have an interest in our idle funds. She presented minimum rates required by the State of Kansas. If a local bank will offer the better rate then it should be accepted over banks from out of County. Since a local bank will pay the established rate then Allen County idle funds will be kept in the county.

Mrs. Daniels reported that local abstracters are having trouble finding the information they need through inquiry mode on the county computers in the CIC tax program. The inquiry program for CIC seems to be more difficult then Infinitec. She would like to show the commissioners the difference between the old and new inquiries. Commissioners suggested talking to CIC about researching ways to make the section, township, and range inquiry easier.

Bill King, Public Works Director, reported on a call from KDHE that he received. There has been a request for a State funded clean up for an illegal dump near the smelter site north of Mildred. Mr. King has been asked to administer a grant for clean up. His responsibilities would include going out for bids and contracts. Commissioners approved administration of this grant.
Commissioners discussed the selection of an architect for the building of a new jail. Discussion followed on the jail committee meeting.

Alan Weber, County Counselor, joined the meeting. Commissioners asked that he review the process for issuing bonds for jail construction.

Sheriff Ron Moore was in to discuss applications for Red Light permits. Discussion followed concerning the rules and regulations for these permits.

Commissioners approved the following documents:
   a) Clerk's voucher #995484 to 995547 for $34,121.51
   b) Abatement #14544, value 48, $6.48, for tax roll of 1999
   c) Clerk's journal entries #C9105

With no further business to come before the board, the meeting was adjourned until December 15, 1999, at 8:30 a.m. in the Commission room of the courthouse.
Bill discussed the Automated Weather Operating System (AWOS) grant for the airport. Installation has been moved up to the year 2000.

Bill reported the new tractor is in at J & W Equipment. He will have to order two radios for the tractor and Bobcat.

Betty Daniels, County Treasurer, reported 25.5% of taxes have been collected towards 1999 taxes.

Mrs. Daniels reported on the treasurers motor vehicle compensation per KSA 8-145 (b). The amount of $5,400.68, of which $3,600.00 had already been received in monthly compensation. Commissioner Barber moved to approve the balance of $1,800.68 to the treasurer and a similar amount be paid to the County Clerk out of election fund. Commissioner Works seconded, motion passed 3-0-0.

Sandra Drake, County Appraiser, Ronald D. Moore, Allen County Sheriff, Jacqueline Webb, Register of Deeds, Bill King, Public Works Director, Betty Daniels, Allen County Treasurer, Nan Kemmerly-Weber, Allen County Attorney, and Sherrie L. Riebel, Allen County Clerk, discussed annual merit raises. Sandra discussed trying to hire someone at $6.25. Discussion followed on all wages and job descriptions. No action was taken at this time.

Commissioners Works left the room.

Fred Works, Immel, Immel, and Works, was present for the bid opening for Adult Misdemeanor, Guardian Ad Litem, and Misdemeanor Juvenile Offender contract for 2000 calendar year. A bid from Immel, Immel & Works was the only bid received. The bid was submitted on behalf of Kristen B.P. Clark and the law offices of Immel, Immel and Works. The bid consists of Adult Misdemeanor for a monthly cost of $2,500.00, with appeals to the District Court or jury trials will be billed separately at the rate of $50.00/hour with a cap of $500.00; Guardian Ad Litem a monthly cost of $1,500.00, with severance hearings and appeals will be billed separately at the rate of $50.00/hour with a cap of $500.00; Juvenile Misdemeanor a monthly cost of $1,000.00 with appeals to the District Court or jury trials will be billed separately at the rate of $50.00/hour with a cap of $500.00. Commissioner Thompson moved to approve the contract from Immel, Immel, and Works and Kristen B.P. Clark. Commissioner Barber seconded, motion passed 2-0-1.

Commissioner Works returned to the room.

Steve Prasko, Advantage Computer, thanked the commissioners for their service for 1999. He discussed the first of the year computer maintenance.

Donald Leapheart, Iola Fire Chief/EMS Director, presented the Twenty-fifth Amended (2000) to Fire Protection Contract for Rural Fire District #2 with the City of Iola for approval. Commissioners approved the contract for $43,128.00 for the year 2000.
making the appointment.

Commissioner Barber called the budget hearing to order at 11:00 a.m. No one was present in regards to the amended budget. Commissioner Barber moved to approve the amended budget as published. Commissioner Thompson seconded, motion passed 3-0-0.

Alan Weber, County Counselor, discussed the Adult Misdemeanor, Guardian Ad Litem, and Misdemeanor Juvenile Offender contract.

Bill Killian, Killian Group President, Jack Climer, Killian Group Representative, Sheriff Moore, and Bryan Murphy, Allen County Undersheriff, discussed the job of project manager for the proposed jail project. Mr. Killian presented a proposal and reviewed with the Commissioners what his group would provide. The proposal will be on file in the Clerk's Office. Mr. Killian reported the cost of a project manager will be 8% of the total cost of the jail project. The proposed project is for a 60 bed jail. Mr. Killian presented a list of services provided by the Killian Group. Questions were asked and answered. The next step would be to decide what the county wants to do re: leasing, bonds, sales tax. The Killian Group would like to draw up a contract and schedule and have the commissioners review it line by line. Commissioner Works requested they send a copy of the contract ahead of time for review.

David Burnett, Regional Planning Executive Director, reported the state is ready to establish a regional enterprise zone, all to be renewed on one time schedule. He explained the process. The county and the cities of Iola and Humboldt will still need to list incentives. Mr. Burnett stated his goal is to have it all set up by the end of the first quarter of 2000.

The county needs to reappoint Jim Gilpin or appoint a representative from Allen County to the Comprehensive Economic Development Strategy (CEDS) for 2000. There will be a meeting after the first of the year.

Mr. Burnett discussed Mid-America membership. Current appointees are Kent Thompson, Allen County representative, and Max Snodgrass is the area business representative. They need a letter of notification as to reappoint Kent Thompson and Max Snodgrass to the Mid-America Regional Planning board.

Mr. Burnett discussed the Southeast Kansas Regional Planning Commission (SEKRPC) restructuring of service. They provide services to Allen, Anderson, Bourbon, Cherokee, Coffey, Crawford, Labette, Linn, Montgomery, Neosho, Wilson and Woodson Counties. The first will be with planning facilitation, second is project development, third is the grant and loan applications, and the fourth is grant and loan administrations. As of July 1, 1999, a certified administrator must administer CDGB grants. He reported three SEKRPC staff members have met general certification requirements for the KDOC & H CDBG Administrator Certification Program.

Commissioners approved the following documents:

a) Clerk's voucher #995548-995707 for $115,989.83
