

## *Cut Tires requirements:*

Passenger tires must have side walls cut out.

Anything Larger requires the side walls cut out & an addition cut across thread.

Bureau of Waste Management Policy 2011-P2

**Cut tire fees:** the first 25 tons per month of cut tires from within Allen County will have a \$5.50 per ton charge, anything over the 25 tons will be charged 100.00 per ton.

Cut tires from outside of Allen County will have a charge of \$130.00 per ton.
